Christchurch

(1) The specific provisions of the variation that my submission relates to are: (Specify page number and subsection numbering for each separate provision).	(2) My submission is that: (State concisely: the nature of your submission, and clearly indicate whether you support or oppose each separate provision being submitted on, or wish to have amendments made, giving reasons.)	(3) I seek the following decisions from Environment Canterbury: (Please give precise details for each provision. The more specific you can be the easier it will be for the Council to understand your concerns.)
<p>Russley CW1.</p>	<p>to people arriving in CCH. *</p> <p>The facilities in Airstead would not cope with another large development.</p> <p>* This land has been here a long time, as part of rural Christchurch and we believe should stay in its present state, as farming / crop land.</p> <p>* Roading is poor at present, if a subdivision went ahead then roading wouldnt cope as there are about 2-3 cars for each property now in Airstead.</p>	<p>We do not support in any way this land being developed.</p>
