

Our vision

Waitaha

Te whenua mataora

Kia whakaora te taiao momona

Ma tatou hei whakawehi ai

Canterbury...

a living landscape

rich in natural resources

a flourishing environment

that we all respect and enjoy

Our long term council community plan consists of the following documents:

PART A: Community outcomes and levels of service, including the Annual Plan for 2009/10.

PART B: Funding and financial policies 2009.

Council also has additional project information available on request: Project levels of Service and Funding for 2009/10.

If you want copies (or a CD) of these publications, contact Customer Services on 0800 EC INFO (0800 32 4636); or if you live in Christchurch, on (03) 353 9721. They are also available online at www.ecan.govt.nz

THE PURPOSE...

of Environment Canterbury is to achieve a sustainable environment and sustainable communities, for the benefit of people, communities and future generations, at a reasonable level of monetary and personal cost.

WE WILL ACHIEVE THIS BY...

- working in partnership with the communities in the Canterbury region
- promoting sustainable management of natural and physical resources
- using innovative, cost-effective and technically excellent methods
- ensuring that decision-making is based on high quality information.
