My preferred option to address the under-recovery of costs from resource consent applications is to...

Other option (please specify) - become more efficient in processing work faster & employ more competent skilled experienced people that understand what they are granting consents for if they had a background and practical knowledge then the process could be greatly streamlined and costs for EVERYONE involved would be a lot lower especially given the current covid 19 situation Costs should be going down full stop ! EVERYWHERE about time we can start!

I wish to speak to Council on my submission

Yes

There is information in my submission I do not want disclosed
