## A. Information for consent applicant

- In accordance with s95E of the RMA, an application need not be notified if the adverse effects on the environment are minor and if written approval has been obtained from every person who, in the opinion of the consent authority, may be adversely affected by the granting of the resource consent (An exception is if, in the Council's opinion, it is reasonable to require the obtaining of every such approval).
- The Council provides this form to help obtain such approvals. The documented approval of persons who could be adversely affected by any proposed activity could assist the processing of the application.
